Event Name: Extension Activity – World Computer Literacy Day

Venue: Mini Auditorium, Christ (Deemed to be University), Delhi NCR Campus

Date: 21 December, 2023

Time: 12:30 am to 2:00 pm

Event Coordinators: Prof Siddharth Dubey and Prof Anu M Varghese

Participants: Students of 2BMPA and 2BMPSY

On 21 December, 2023, the Department of English and Cultural Studies, in collaboration with Project Unnati and the Centre for Social Action, embarked on a vibrant outreach initiative at a local Government School. Geared towards primary students, the day unfolded as a tapestry of engaging activities designed to not only ignite a love for reading and writing but also equip young minds with crucial digital literacy skills. From animated discussions about the wonders of computers and the internet to interactive sessions on responsible online behavior and tackling cyberbullying, the students were immersed in a world of learning that transcended the confines of textbooks. This enriching experience, a testament to the collaborative spirit of Project Unnati and the Department of English and Cultural Studies, served as a vital reminder that literacy is more than just the ability to decode words. It is a gateway to knowledge, a springboard for critical thinking, and a shield against the pitfalls of the digital age

Major Takeways

1. Literacy beyond books: The event highlighted that literacy goes beyond reading and writing, encompassing digital awareness and responsible online behavior.
2. Collaborative impact: The success of the event stemmed from the combined efforts of the Department of English and Cultural Studies, Project Unnati, and the Centre for Social Action.
3. Engaging activities: Interactive sessions like computer talks, storytelling, and creative writing sparked interest and learning in the students.
